"The only thing they have to look forward to is hope. And you have to give them hope. Hope for a better world, hope for a better tomorrow, hope for a better place to come to if the pressures at home are too great. Hope that all will be all right. Without hope, not only gays, but the blacks, the seniors, the handicapped, the us'es, the us'es will give up.
"....I know that you cannot live on hope alone, but without it, life is not worth living. And you...And you...And you...Gotta give em hope."
— Harvey Milk
