

### **Volunteer for the Klingberg Vintage Motorcar Series!**

Klingberg Family Centers is looking for volunteers to assist with the new Vintage Motorcar Series events, which will happen on Saturdays: May 18, June 15, and September 21. The May and September events will begin at 7:30 AM for car owners and will be open to the public from 9:00 AM to noon. The June event will last until 2pm.

The events will each feature a traditional auto show (cars 1979 and older), special feature cars, and a display of prewar automobiles. In addition, there will be food trucks and children's activities. The May event will focus on the Klingberg Nexus Professional Development Center and the June event will highlight Klingberg's Extended Day Treatment Program.

Tasks for the spring events include setup, parking assistance, front gate greeter, children's activities, social media, and cleanup. Volunteers receive free admission and a Klingberg Motorcar Series t-shirt.

The Klingberg Vintage Motorcar Series raises vital funds to support Klingberg Family Centers' programs serving 3,000+ individuals each year whose lives have been affected by trauma. For more information about Klingberg Family Centers, please visit [Klingberg.org](http://Klingberg.org).

More information about the Series and a volunteer sign-up form for May and June can be found at [KlingbergMotorcarSeries.org](http://KlingbergMotorcarSeries.org).
