   - Develop appropriate goals
   - Contact and meet accordingly with site supervisor
   - Serve as a liaison between participants and site supervisor
   - Implement service activities that meet the self-identified needs of clients; create appropriate materials, engage participants in service delivery, and access external resources as needed
   - Communicate and meet regularly with designated CO staff member and site supervisor

B. **Volunteer Management**
   - Recruit, screen, train and support volunteer and work study participants
   - Prepare participants through orientation and training workshops to achieve program’s objectives; organize meetings, develop training materials, and facilitate activities
   - Provide ongoing monitoring and supervision of participants
   - Communicate regularly with participants regarding scheduling, transportation, activity planning, payroll, and other related program functions
   - Recognize participants for their contributions
   - Organize opportunities for participants to reflect on their experiences

C. **Administrative Tasks**
   - Attend all related CO meetings, trainings, seminars, and workshops
   - Manage any financial or other resources including budgeting, purchasing, and tracking
   - Collect and update data related to programs, membership, and service hours
   - Schedule and monitor transportation
   - Represent CO at University classes, meetings, or events
   - Perform other related duties and activities to support the program and the Office of Community Outreach, as needed

D. **Program Participation**
   - Program directors are expected to participate in their program on a regular schedule as decided with staff supervisor
